For the second time in the history of the Board death has caused a vacancy. Hon. George J. Hendrick of North Smithfield, appointed on the Board in May, 1891, was removed by death in April, 1893. Last October Hon. George T. Cranston of North Kingstown, a member of the Board continuously from its first organization, after weeks of intense pain and suffering, died at his home. At a

meeting of the Board November 8, 1894, the following was adopted :

MINUTE.

Hon. George T. Cranston, born in North Kingstown July 9, 1844, died at his home in his native town October 25, 1894.

Mr. Cranston's boyhood was passed in the town of his birth, where he received the advantages of a common school education.

August 21, 1861, he enlisted in Company E, Third Regiment Rhode Island Heavy Artillery, in the war of the rebellion, for three years. May 16, 1863, he was attached to Light Battery B, First United States Artillery and served with that command until the expiration of his enlistment when he was mustered out of service August 31, 1864, and returned to his home. Remaining but a few days he again entered the service of his country, September 15, 1864, having enlisted in the Tenth Massachusetts Battery, Light Artillery, with which he served until the war closed and he was finally mustered out of service June 9, 1865.

Four years, nearly, of his life was given in the service of his country and the faithfulness of that service is known to all who were in his confidence. His patriotism was intense and his enthusiastic love of country and his country's flag unsurpassed.

Elected to the Rhode Island House of Representatives by the citizens of his native town in 1881 he continuously served them in the General Assembly, since 1888 as Senator, until his death.

His comrades of the Grand Army of the Republic made him their Department Commander in 1893.

He was closely identified with all movements for the benefit of the veterans of the war. Upon the passage of an Act by the General Assembly, April 23, 1889, establishing a State Board of Soldiers' Relief and the Rhode Island Soldiers' Home, he was appointed by the Governor a member of said Board and by reappointments was continuously a member until his death, rendering valuable service to the state and veterans.

Perhaps the most prominent trait in Mr. Cranston's character was generosity and the performance of humane deeds. These were never ostentatious and the recipients knew he was prompted thereto by a desire to help the unfortunate and distressed.

Sunday, October 28, 1894, a perfect autumn day, Mr. Cranston's body was escorted to its last resting place by a large number of friends and acquaintances, including His Excellency Gov. Brown, His Hon. Lieut. Gov. Allen, members of the General Assembly, United States, State and Town Officers, and members of the Rhode Island Soldiers' Home, and citizens generally. A solemn stillness

prevailed during the day. Each one seemed to realize the loss of a true friend and benefactor in the death of George T. Cranston.

#### SOLDIERS' HOME.

The officers of the Home remain the same as stated in the fifth annual report, viz.:

Captain Benjamin L. Hall, Fifth R. I. H. Artillery, Commandant.  
Edward L. Knowles, Seventh R. I. Volunteers, Adjutant.  
Dr. Philip F. Dillon, Second Mass. Infantry, Surgeon.

The hospital building authorized by the General Assembly by resolution passed May 18, 1893, a description of which is contained in the fifth annual report of this Board, was completed, furnished and occupied early in the year and has added greatly to the comforts of those members of the Home needing hospital treatment and care. It was a necessity which could not have been longer delayed without seriously affecting the efficiency of the medical department of the Home.

During the summer of 1894 much work has been done upon the grounds east of the pavilions. Rock and stone in large quantities have been removed and the ground prepared for planting in 1895. Eventually this plot will be put into meadow, thus adding to the beauty of the Home surroundings.

The State has continued to receive the benefit of an act of Congress to "provide aid to State and Territorial Homes for the support of disabled soldiers and sailors of the United States."

The amount of such aid for the year 1894 was \$10,300, from which was deducted under the act of Congress making appropriations for such aid, pension money of members of the Home, retained by the State, amounting to \$1,296.21. The amount actually received from that source during the year was \$9,003.79.

The Home was officially visited by General W. W. Averell, Assistant Inspector General, National Home for Disabled Volunteer Soldiers, August 3, 1894, and thoroughly inspected. Visits to the

Home were also made by your Honorable Body, April 25, 1894; the Southern Rhode Island Press Club, June 18, 1894; the Department Commander of Rhode Island, Grand Army of the Republic, and staff, September 1, 1894, and by several organizations of the Women's Relief Corps on various dates during the year.

The membership has steadily increased until at the close of the year 1894 the Home was practically full, there being but six vacant beds in the pavilion.

## SOLDIERS' RELIEF.

The demands upon the Soldiers' Relief Fund during the year 1894 have been about equal to that of 1893. Its distribution requires sound judgment and much time to keep the expenditures within the provisions of the law. During the year 1894 the same persons acted as agents as during 1893. Their work is shown by the following statement :

### REPORT OF THE COMMANDANT.

---

BRISTOL, R. I., Jan. 1, 1895.

*To the State Board of Soldiers' Relief:*

GENTLEMEN :—I have the honor to submit my annual report, as Commandant of the Soldiers' Home.

Since my last report, the number of inmates has steadily increased.

The erection of the Hospital Building has relieved one Pavilion formerly used as a Hospital, and afforded accommodation for more members.

The health of the members is good, and the small death rate, taking in consideration the general debility of the members when first admitted, shows the effect of the relief from care, and the struggle for an existence, which has been the lot of many of the veterans of the late war.

We still have to regret the lack of amusements, to relieve the monotony of routine life at the Home.

Through the summer we have been favored with visits from the different Relief Corps, and the Daughters of Rebekah from Bristol. Rev. W. R. Trotter gave an evening exhibition of Stereopticon Views, which afforded much pleasure to the inmates; we were also favored with a concert by the Bristol Band.

The following list of daily and weekly papers are regularly received at the Home.

Providence Journal, daily and Sunday, Providence News, Providence Telegram, daily and Sunday, Providence Visitor, Corbett's Herald, Pawtucket Tribune, Pawtucket Evening Times, Pawtucket Gazette and Chronicle, Newport Mercury, Newport Journal, Newport Weekly Times, Woonsocket Evening Reporter, Woonsocket Evening Call, Narragansett Times, Westerly Tribune, Bristol Phenix, R. I. Pendulum, Wickford Standard, The Press, N. Y., Catholic News, the Watchman, National Tribune, Pawtucket Valley Gleaner, Newport Enterprise, Olneyville Times, and the "Home Bulletin," published at the Soldiers' Home at Hampton, Va.

Again, I wish to return thanks to Mrs. Dr. Neylan for the receipt of copies of "Puck" and "Judge."

In the absence of a regular Chaplain, religious services are held at the Home by the members of the local clergy, and the choirs from the different churches. Rev. H. A. Stevens, and Rev. W. R. Trotter have shown a special care and consideration for the spiritual welfare of all the members of the Home, and we feel under great obligations to them.

The grounds on the east front of the house, have been cleared of the brush and briars, and will be put in condition for lawns, which will be a great improvement.

There will also be constructed, a driveway to admit of the circuit of the grounds by visitors in carriages.

The accompanying reports of the Adjutant, Edward L. Knowles, and Surgeon, Philip F. Dillon, show full details of their separate departments.

The death of Hon. George T. Cranston, a member of the Board of Managers, was the cause of a feeling of great sorrow among the members of the Home.

Those among us who knew him best, felt that the Veteran Soldier had lost a sincere friend, and earnest worker in their behalf, whose heart and hand were always open to respond to any appeal for aid and comfort.

The members of the Home wishing to show their appreciation of his worth, and to express their love and respect for him, procured a beautiful floral piece, representing a cannon, (Light Artillery) his favorite branch of service, to be placed beside his casket, and through the kindness of Your Honorable Board, were furnished transportation to attend the funeral services at Wickford, about seventy members attending in a body, acting as Body Guard, under my command.

The following double acrostic was composed and written by our Adjutant, Edward L. Knowles, as a tribute of affection.

HON. GEORGE T. CRANSTON.

---

IN MEMORIAM; OCTOBER 24TH, 1894.

---

Gone, to thy peaceful and eternal rest ;  
Comrade and Friend beloved.  
Earth now to Heaven, thy spirit yields ;  
Oh ! Noble, upright man.  
Only the happy thought, that thou art blessed,  
Mingling with our love, thus proved,

Relieves the anguish the heart now feels.

Rejoice in this hallowed hope, alone, we can.

God grant to us, his peace in this sad hour,

And sweet solace give, to all who mourn for thee;

Endeared, as Son, Father, Husband, Comrade, Friend;

Devoted, loyal, steadfast, true,

Thine honored name shall live a priceless dower,

Enshrined in thy character of grand nobility.

Can time efface thy record proud, where brightly blend,

All virtues, which from thy splendid manhood grew?

Responding eagerly, to the Nation's call,

No braver soldier, fought on battle plain.

A patriot's pure zeal, thy youthful heart inspired.

Devotion's truth, to Liberty, and native land,

Nerved thee for valiant deeds, resigned to fall,

For Freedom, and her flag without a stain.

Such heroes, battling for the right, by kindred feelings fired,

Redeemed our sacred heritage from treason's impious hand.

Then from the deadly strife returned, still was there seen,

In peaceful walks of life displayed, thine attributes the same;

Of spotless honor, pure integrity, generous charity;

Ever, of all humanity the friend, thy hand most freely gave.

Nobleman of nature, sublimely grand thy life has been.

Never can shadow dim thy memory, while the lustre of thy name and fame,

Departed as thou art, yet shines around thee, a radiant halo o'er thy grave.

The visit of the Honorable members of the Legislature, to the Home the past summer seemed to impress the inmates with a feeling of satisfaction that the representatives of the people were specially interested in their welfare.

Intercourse with individuals convinces me that a lack of positive information exists in regard to the purpose of the Home, the beauty of the surroundings, the many provisions for the care and comfort of the inmates in their declining years.

A cordial invitation is extended to all persons interested to visit the Home, especially the veterans, whose comrades are here enjoying a deserved rest in consideration of their services to their country.

### REPORT OF THE SURGEON.

---

SURGEON'S OFFICE, R. I. SOLDIERS' HOME,

BRISTOL, R. I., January 1, 1895.

*Capt. Benjamin L. Hall, Commandant :*

My fourth annual report of the Medical Department of the Home for the year ending December 31, 1894, will like its predecessor be a brief one ; but few events having occurred necessitating special mention.

The event of greatest importance during the year, was the opening of the new hospital on the 3d day of April last, and as a description of it will in all probability be given by another department of the Home, I will content myself with that part of it which has a medical bearing. Its capacity is twenty-six (26) beds including six (6) fair sized rooms for special cases, sufficient under ordinary circumstances for a home even larger than this. There is a splendid bath room, two water closets, steam heat and electric lights and many of those conveniences of a modern hospital which go to make the care of its inmates less arduous and much more satisfactory. It supplies a long felt want and its erection is a source of no little satisfaction not only to the inmates of the home, but to all concerned in its management. It is delightfully situated and sufficiently removed from all other buildings to be practically isolated. It is in fact a model little hospital and reflects much credit on the board of managers for its erection.

A civilian nurse, Mr. William Parker, who has been with this department over two years and who has proven a very capable man for the position has charge of the hospital. He has two assistants, inmates of the Home. These, together with the cook, occupy rooms on the second floor of the main building. Everything is kept scrupulously neat and clean—no light matter—and the surgeon takes this opportunity to commend the faithfulness of the employees under many trying conditions. It is very gratifying to be able to state, that another year has gone by, in which we have been free from epidemics of any kind. Acute Bronchitis,

Muscular Rheumatism and Constipation are the three lesions which claim the greatest number of victims.

The number of prescriptions filled during the year was one thousand six hundred and one (1601), being a reduction as compared with the previous year of over three hundred (300) although there are more inmates in the Home at present than at any period of its history. This reduction may be accounted for in part by a better appreciation, on the part of the inmates, of the Home and its commandant, greater regularity in living and a consequent improvement in morals quite noticeable during the past year or more. The Surgeon's efforts in their behalf seem better appreciated also; and a greater willingness is manifest to comply with his advice and instructions.

The number of deaths during the year was eight, (8) three (3) of which occurred while absent from the Home. This was a reduction as compared with the previous year of four (4), a very gratifying result to the Surgeon.

It is but fair to assume, that the causes assigned for the reduction in the prescriptions filled may in a measure apply here also; but by far the better reason can be found in our new hospital, where the facilities for caring for the sick and infirm are vastly superior to those heretofore existing.

In my last report I had something to say regarding the Amick Chemical Cure for consumption; the treatment has been continued during the year just closed. The case of Fibroid Phthisis then reported as having materially improved under its use, having gained twelve (12) pounds during five (5) months treatment, has remained almost stationary having gained but one (1) pound in the past year. There has, however, been improvement in other directions. The slight rise in temperature often observed before treatment began is no longer present; night sweats have ceased and the sputa, while still muco-purulent in which the tubercle bacillus may be found, has decreased very much, both in quantity and frequency. The cough has also improved much, being less frequent and distressing.

Another case, similar in character, came to the hospital in August last and was placed under the same treatment. He also has gained in flesh five (5) pounds, but the sputa remains as it was, muco-purulent, and the tubercle bacillus has been found in it. The cough is sometimes severe, especially at night.

The case of incipient catarrhal phthisis reported cured in my last report remains so still, and has greatly improved in appearance.

Before leaving this subject I would say, that my experience with the remedy leads me to conclude, that while it is by no means the specific we are longing for, or even all that is claimed for it, it is an addition of some value to the therapeutics of the disease under discussion, especially in its earlier stages.

While in the chronic case cited there has been marked improvement, the tubercle bacillus has not been destroyed. Further experience may modify this view.

The hygiene of the Home during the year, as in the past, has been of a high order. Thorough cleanliness at all times and in all places is the normal state at this Home.

For the constant (almost paternal) solicitude of the Board of Managers in the welfare and the comfort of this department of the Home, as manifested in various ways through its executive committee (Captain Charles C. Gray, Henry C. Luther, Esq., and Captain Gideon Spencer) the Surgeon desires to express his gratitude.

The deep interest ever shown by yourself in the welfare of the sick and infirm and the support given the Surgeon in the discharge of his duties are deeply appreciated.

Appended hereto are the usual tables showing the diseases treated, with the number of inmates treated for each, "*Appendix A*," and the number who have died during the year, with causes thereof, "*Appendix B*."

Respectfully submitted,

PHILIP F. DILLON, M D.,

*Surgeon.*

Captain Benjamin L. Hall, Fifth R. I. H. Artillery, Commandant.

Edward L. Knowles, Seventh R. I. Volunteers, Adjutant.

Dr. Philip F. Dillon, Second Mass. Infantry, Surgeon.

During the summer of 1895 the walls of the buildings have been repaired and whitened, and all the buildings have been painted. Screens have been added to the Hospital windows, supplying a much appreciated comfort to the inmates and improving the appearance of the buildings, and also to the other buildings where required.

The State has continued to receive the benefit of an act of Congress to "provide aid to State and Territorial Homes for the support of disabled soldiers and sailors of the United States."

The amount of such aid for the year 1895 was \$11,725.00 from which was deducted under the act of Congress making appropriations for such aid, pension money of members of the Home, retained by the State, amounting to \$1,738.23. The amount actually received from that source during the year was \$9,986.77.

The Home was officially visited by General W. W. Averell, Assistant Inspector General, National Home for Disabled Volunteer Soldiers, August 15, 1895, and thoroughly inspected. He was accompanied on his tour of inspection by Governor Charles Warren Lippitt and members of the State Board of Soldiers' Relief.

The Home was visited by the Department Commander of Rhode Island, Grand Army of the Republic and staff, July 24, 1895, and by several organizations of the Women's Relief Corps on various dates during the year.

The Home is practically full at this date; only three beds are vacant in the Hospital and applications of worthy soldiers are delayed for lack of accommodations.

#### SOLDIERS' RELIEF.

The manner of dispensing the Soldiers' Relief Fund has been changed, and the following resolutions were adopted at the meeting of the State Board of Soldiers' Relief, November 22, 1894 :

*Resolved*, That on and after January 1, 1895, the present method of distributing the Soldiers' Relief Fund by Agents located in various sections of the State, be discontinued.

*Resolved*, That on and after January 1, 1895, applications for assistance from the Soldiers' Relief Fund shall be made to the Secretary of the Board, upon the blank forms now in use, and that officer shall refer all such applications to an Agent to be employed by the Board, whose duty shall be to personally investigate as to the needy and destitute condition and worthiness of the applicant, and if found to be entitled to relief under the laws of the State, shall assist them by orders upon respectable dealers in groceries and provisions in such amounts as he may deem necessary, within the limits of the regulations now in force governing the distribution of the Soldiers' Relief Fund. The said Agent shall also visit the beneficiaries at least once each six months, and keep informed as to the necessity for continuing the relief. He shall agree with dealers furnishing supplies upon his orders that they will render itemized bills monthly to the Secretary of the Board upon the forms prepared by the Secretary, which, if found correct, will be paid by checks of that officer.

At the same meeting Capt. Gideon Spencer was elected Agent of the Board, under the above resolutions.

Captain Gideon Spencer, Agent, having been elected Secretary of the State Board of Soldiers' Relief, tendered his resignation as Agent, and the following resolution was passed by the State Board January 10, 1895 :

*Resolved*, That the Secretary be and is hereby directed to act as Agent for the distribution of the Soldiers' Relief Fund in accordance with the vote of the Board passed November 22, 1894.

The change has been beneficial both to the applicant and the State ; while no effort has been made to reduce the amount of aid given, the amount of money required was less than in former years, and no applicant was denied assistance who had a claim under the law. The change has been generally satisfactory.

The number of applications filed during the year was ...	349

REPORT OF THE COMMANDANT.

---

BRISTOL, R. I., January 1st, 1896.

*To the Board of Managers, R. I. S. H.*

GENTLEMEN :—I have the honor to submit the following as my fifth annual report, as Commandant of the Home.

The needed repairs in painting the buildings and whitening the walls and ceilings have given a bright fresh appearance, much appreciated.

The tables contained in the accompanying reports of the Adjutant Edward L. Knowles, and Surgeon Philip F. Dillon, give the complete detail of the membership of the Home.

The routine life at the Home has been enlivened by visits of delegations from the following: Relief Corps.—Bucklin, Brown, Babbitt, Sloeum, Tobin, Tower; Sons of Veterans.—Representatives from different camps.

They have always left with us some token of regard and kind wishes.

We have also been honored by the visit of Commander-in-chief Thomas G. Lawler, and Quartermaster General John W. Burst, G. A. R.

Department Commander Daniel R. Ballou and staff, R. I.

His Excellency Governor Lippitt, with members of the Board of Managers, accompanied General William W. Averell, Assistant Inspector General, N. H. D. V. S., on his visit of inspection to the Home, and were entertained at the Home grounds on the shore of Mount Hope Bay.

I am pleased to acknowledge the favors of musical entertainments from the "Epworth League," the "Apollo Club," Mr. and Mrs. Ezra Mason and friends, Babbitt Relief Corps, St. Michael's and other church choirs, and especially the members of the "Falstaff Club" of Providence. Through the kindness of Mr. Frank T. Pearce they visited the Home on the evening of November 2d, and gave an entertainment of songs and character sketches, which afforded great pleasure to the members of the Home.

In behalf of the members of the Home I have the honor to extend their thanks to the members of the following organizations for their kind remem-

brance of the "veterans," and generous donations : Slocum Post, No. 10, G. A. R., cake, ice cream, on Thanksgiving Day ; Babbitt Relief Corps, oranges, candy ; Tobin Relief Corps, cake, candy ; Sons of Veterans, oranges, nuts, slippers, etc., at Christmas ; to Hon. Melville Bull, who has by his many acts of thoughtful kindness contributed very much to the pleasure of the veterans at the Home.

In addition to the following list of newspapers regularly received, copies of "Puck" and "Judge" have been contributed by Mrs. Doctor Neylan : Daily Journal, Providence ; Daily News, Providence ; Evening Telegram, Providence ; Visitor, Providence ; Corbett's Herald, Providence ; Tribune, Pawtucket ; Evening Times, Pawtucket ; Observer, Newport ; Journal, Newport ; Weekly Times, Newport ; Mercury, Newport ; Reporter, Woonsocket ; Tribune, Westerly ; Times, Olneyville ; Narragansett Times, Wakefield ; Sentinel Advertiser, Hope Valley ; Burrillville Gazette, Pascoag ; Valley Gleaner, Phenix ; Phenix, Bristol ; Standard, Wickford ; Watchman, Boston, Mass.

Religious services have been held during the year under the auspices of the Y. M. C. A., and Rev. H. A. Stevens of the Congregational Church of Bristol. Rev. W. A. Trotter has kindly officiated at all funerals held at the Home, and is entitled to special thanks.

At the present time, while the Home is not crowded, (three (3) vacant beds in barracks, three (3) in hospital) indications point to the fact that before the end of the winter months all will be taken, and provision must be made to accommodate applicants admitted by placing mattresses on the floors of the pavilions, which will cause much inconvenience and discomfort.

Accompanying is a list of products of the farm, worked by members of the Home.

D.  
REPORT OF THE SURGEON.

---

MEDICAL DEPARTMENT,  
RHODE ISLAND SOLDIERS' HOME,  
BRISTOL, R. I., January 1, 1896.

*Capt. Benj. L. Hall, Commandant :*

A year free from epidemics of all kinds, coupled with a paucity of events worth narrating, makes my report of the Medical Department of this Home for the year ending December 31, 1895, almost entirely statistical, matters having glided along so smoothly that but little occasion is left for comment.

The Hospital service has been even more efficient than last year, and to this efficiency is in a measure due the low death rate of the year, the lowest in the history of the Home, although the number of inmates has been highest.

In this connection I may not fail to commend the chief nurse, Mr. Parker, and his assistants, inmates of the Home.

The necessity for the Hospital and the wisdom of its erection has been strikingly demonstrated during the year, as I am fully convinced from the class of cases entering the Hospital and finally returning to quarters either cured or greatly improved, that without it the death rate for the year would have been doubled.

The number of prescriptions filled during the year was one thousand, six hundred and sixty-two (1,662), a slight increase over last year, and the number of deaths seven (7), one of whom died away from the Home.

The hygiene of all parts of the Home during the year has been as nearly perfect as it is possible to attain, and in this connection it may not be inopportune to repeat the words of Gen. William W. Averell, Inspector of National and State Homes, who at a recent inspection of this Home remarked at its conclusion : "Gentlemen, it gives me pleasure to inspect a Home like this. It is not excelled by any Home in the country, either State or National. It is a gem of a Home." Such encomium from one so eminently qualified as

Gen. Averell to speak on such matters may be deemed just cause for no little pride on the part of the citizens of our State and all concerned in its construction and management.

The sustained interest in the welfare of this department and the comfort of those in its charge by yourself, and the Board of Managers by its executive committee, Capt. Charles C. Gray, A. K. McMahon, Esq., and Col. Philip S. Chase, has not failed of appreciation by those in whose behalf it is exercised, and the Surgeon feels, that he but expresses their feelings in his appreciation and respect for those qualities of head and heart which prompt to such interest.

The usual tabular reports are herewith appended, "A" giving the diseases treated and "B" the Hospital and death reports.

Respectfully submitted,

PHILIP F. DILLON, M. D.,

*Surgeon.*
